LONDON BOROUGH OF RICHMOND UPON THAMES

Our Ref: PP2158_11/26_Peldon Court Consult November 2026

Dear Resident / Occupiers

Townshend Controlled Parking Zone (CPZ), Zone J
Possible Extension to Peldon Court – Questionnaire for Completion

Following requests from residents (including a petition) for parking controls, the Council is carrying out a consultation with all properties in Peldon Court on the possibility of this road joining the Townshend Controlled Parking Zone, Zone J. This zone operates 10am to 2pm, Monday to Friday.

The Council understand that parking controls are being requested because non-residents (including commuters) are parking in Peldon Court which is reducing the available parking space for residents.

As part of the design, we are proposing the removal of the parking bay (four spaces) near to the Sheen Road junction to improve access for all vehicles, including emergency service vehicles. The remaining bays (currently part of Zone G) will be retained but changed to Zone J as part of the overall scheme.

The proposed design also includes some short lengths of double yellow lines to ensure access for all vehicles in the area at all times. Irrespective of whether the CPZ extension is introduced, most or all proposals for yellow lines (including the above-mentioned parking bay removal) will still be progressed.

If Peldon Court is added to Zone J:

1. Approximately 30 parking bays in Peldon Court will become part of Zone J
2. Five parking bays opposite Nos 83-100 Peldon Court will remain within the management of the Richmond Housing Partnership
3. All properties in Peldon Court will be situated within Zone J and as such will be solely eligible for permits for this zone. This means that Zone G parking permits will no longer be available for issue to these properties, and
4. Residents and their visitors parking on-street during the operational days/hours of the scheme will be required to display a valid parking permit.

Details of current Zone J parking permit prices are as follows:

Permit Type	Cost
Resident	£68.50 per year
Resident Visitor	£1.80 per day

Please note that parking charges are reviewed annually.

Resident permits
The above resident permit prices are for the first permit issued per household for one year. Subsequent resident permits purchased per year are approximately 100% more for the second permit and 200% more for the third and further permits issued.

Resident visitor permits
Resident visitor permits (scratch cards) are available at half the standard price to the over 60s. These permits must be validated for the relevant time period.

The Council would like to demonstrate that any extension to a CPZ has the support of residents so a good response is very important, although the Council will not base its decision on residents' wishes alone. All feedback to this consultation will be considered by the Council along with all relevant traffic management and other highway factors, prior to a decision being made on the way forward.
