**Question 1: Would you prefer for the equipment pieces to be:**

**location**

Option A: Located in one area of the park with the proposed most suitable location being on the grass at the rear of the pavilion on surfacing of grass matt to prevent grass wear and tear, as per pictures for Option A below. This will keep all facilities in the one area, utilising a space that currently has no function and is visible for park users.

Option B: Wooden static pieces of equipment. These could be located across a number of areas around the amenity grass area in front of the pavilion in a 'trim trail' design, as per pictures for Option B below. (Please note: these would not impact on football pitches)
