

## **CABINET MEMBER DECISION**

### **Decision:**

#### **(i) Details of decision**

Approval is given for the development of Beach Volleyball Courts on the existing tennis / netball courts at Broom Road Recreation Ground, subject to confirmation of 50% funding from the London Marathon Charitable Trust.

#### **(ii) Reasons for decision**

The current courts are coming to the stage where they will require capital investment to bring them back to a suitable standard. This proposal provides an alternative low cost option, while expanding facilities for a new sport into the borough..

There is strong demand for facilities for beach volleyball in the Borough and this is clear from the consultation carried out in November 2013.

### **Conflicts of Interest**

None

### **Dispensation**

None
