Dear Owner / Occupier

Proposed St Margarets North Community Parking Zone (CPZ)

Further to the parking consultation recently undertaken in this area, we have analysed the results which show support for a new CPZ to be introduced in Orchard Road and Netherton Road – see summary of results overleaf.

The Council is now proposing to implement a new CPZ in Orchard Road and Netherton Road, including the adjacent section of St Margarets Road – see drawing enclosed.

Details of the proposed CPZ are:

- St Margarets North CPZ, operational Mon-Fri 10am to 4.30pm.
- Resident Parking permits cost £68 per year (3 and 6 month permits also available)
- Resident Visitor Permits cost £11 per book of ten half day permits (£5.50 for over 60s). Two half-day permits required for a full days' parking.

For more details of how the new CPZ will work and further details on the cost of parking permits, please visit <http://www.richmond.gov.uk/parking>.

The proposals were advertised by way of traffic management orders on **Friday 25 October 2013**.

Details of the proposals will be on the Council's website http://www.richmond.gov.uk/council_consultations until Friday 22 November 2013.

Representations are invited by letter to the Highway Infrastructure Manager, Civic Centre, 44 York Street, Twickenham, TW1 3BZ or by email to highwaysandtransport@richmond.gov.uk to be received on or by **Friday 22 November 2013**. All representations will be considered prior to a decision being made in this matter.

If a CPZ is approved, implementation is provisional set for February 2014 and further information will be posted to all affected properties on this and how to apply for parking permits.

The Council will review the CPZ after approximately six months of operation.

Should you have any queries or require any further information relating to this matter in hard copy, please do not hesitate to contact me on 08456 122 660.

Yours faithfully
