

LONDON BOROUGH OF WANDSWORTH

ANTI-SOCIAL BEHAVIOUR, CRIME AND POLICING ACT 2014

LONDON BOROUGH OF WANDSWORTH (CONSUMPTION OF ALCOHOL AND PSYCHOACTIVE SUBSTANCES AND DOG CONTROL) PUBLIC SPACES PROTECTION ORDER 2023

RECITALS

- A. The London Borough of Wandsworth (“the Council”) is satisfied that the requirements of Chapter 2 of Part 4, and specifically Sections 59 and 72, of the Anti-social Behaviour, Crime and Policing Act 2014 (“the Act”) have been satisfied and that it is, in all the circumstances, appropriate to make this Order.
- B. The Council is satisfied that the activities specified by this Order (“the prohibited activities”) have been and will continue to be carried on in public spaces in the Council’s area which have had and will continue to have a detrimental effect on the quality of life of those in the locality, such anti-social behaviour resulting from the public consumption of psychoactive substances and alcohol in public places (other than premises excluded from this Order) and a lack of dog control.
- C. The Council, in making this Order, is satisfied on reasonable grounds that the prohibited activities have been carried out in the restricted area, and have had a detrimental effect on the quality of life of those in the locality and it is likely that those activities will continue to be carried out in the restricted area and will have that effect.
- D. The Council is further satisfied that the effect, or likely effect, of the activities-
- a. is, or is likely to be of a persistent or continuing nature;
 - b. is, or is likely to be such as to make the activities unreasonable; and
 - c. justifies the restrictions imposed by this Order.
- E. The Council is satisfied that the prohibitions and requirements imposed by this Order are ones that it is reasonable to impose in order to prevent the detrimental effect from continuing, occurring, or recurring or to reduce that detrimental effect or to reduce the risk of its continuance, occurrence or recurrence.

- F. The Council has had regard to the rights and freedoms set out in the Convention for the Protection of Human Rights and Fundamental Freedoms 1950 (“the Convention”) in so far as they may be affected by these Orders. The Council has had particular regard to the rights and freedoms set out in Article 10 (right of freedom of expression) and Article 11 (right of freedom of assembly) of the Convention and has concluded that the restrictions on such rights and freedoms imposed by this Order are lawful, necessary and proportionate.
-

Challenging the validity of the Order

Any challenge to this order must be made in the High Court by an interested person within six weeks of it being made. An interested person is someone who lives in the restricted area, or who regularly works in or visits that area. This means that only those who are directly affected by the restrictions have the power to challenge it.

Interested persons can challenge the validity of this Order on two grounds: -

- (b) that one of the requirements of the Act not been complied with.

Where such an application is made, the High Court can decide to suspend the operation of the order pending the Court's decision, in part or in totality pending the final determination of the proceedings. The High Court may uphold the order, quash it, or vary it and may award legal costs in an unsuccessful challenge.

ANTI-SOCIAL BEHAVIOUR CRIME AND POLICING ACT 2014

Section 59 – Power to make orders

- (1) A local authority may make a public spaces protection order if satisfied on reasonable grounds that two conditions are met.
- (2) The first condition is that—
 - (a) activities carried on in a public place within the authority's area have had a detrimental effect on the quality of life of those in the locality, or
 - (b) it is likely that activities will be carried on in a public place within that area and that they will have such an effect.
- (3) The second condition is that the effect, or likely effect, of the activities—
 - (a) is, or is likely to be, of a persistent or continuing nature,
 - (b) is, or is likely to be, such as to make the activities unreasonable, and
 - (c) justifies the restrictions imposed by the notice.
- (4) A public spaces protection order is an order that identifies the public place referred to in subsection (2) ("the restricted area") and—
 - (a) prohibits specified things being done in the restricted area,
 - (b) requires specified things to be done by persons carrying on specified activities in that area, or
 - (c) does both of those things.
- (5) The only prohibitions or requirements that may be imposed are ones that are reasonable to impose in order—
 - (a) to prevent the detrimental effect referred to in subsection (2) from continuing, occurring or recurring, or
 - (b) to reduce that detrimental effect or to reduce the risk of its continuance, occurrence or recurrence.
- (6) A prohibition or requirement may be framed—
 - (a) so as to apply to all persons, or only to persons in specified categories, or to all persons except those in specified categories;
 - (b) so as to apply at all times, or only at specified times, or at all times except those specified;
 - (c) so as to apply in all circumstances, or only in specified circumstances, or in all circumstances except those specified.

- (7) A public spaces protection order must—
 - (a) identify the activities referred to in subsection (2);
 - (b) explain the effect of section 63 (where it applies) and section 67;
 - (c) specify the period for which the order has effect.
- (8) A public spaces protection order must be published in accordance with regulations made by the Secretary of State.

Section 66 - Challenging the validity of orders

- (1) An interested person may apply to the High Court to question the validity of—
 - (a) a public spaces protection order, or
 - (b) a variation of a public spaces protection order.

“Interested person” means an individual who lives in the restricted area or who regularly works in or visits that area.
- (2) The grounds on which an application under this section may be made are—
 - (a) that the local authority did not have power to make the order or variation, or to include particular prohibitions or requirements imposed by the order (or by the order as varied);
 - (b) that a requirement under this Chapter was not complied with in relation to the order or variation.
- (3) An application under this section must be made within the period of 6 weeks beginning with the date on which the order or variation is made.
- (4) On an application under this section the High Court may by order suspend the operation of the order or variation, or any of the prohibitions or requirements imposed by the order (or by the order as varied), until the final determination of the proceedings.
- (5) If on an application under this section the High Court is satisfied that—
 - (a) the local authority did not have power to make the order or variation, or to include particular prohibitions or requirements imposed by the order (or by the order as varied), or
 - (b) the interests of the applicant have been substantially prejudiced by a failure to comply with a requirement under this Chapter,

the Court may quash the order or variation, or any of the prohibitions or requirements imposed by the order (or by the order as varied).
- (6) A public spaces protection order, or any of the prohibitions or requirements imposed by the order (or by the order as varied), may be suspended under subsection (4) or quashed under subsection (5)—
 - (a) generally, or
 - (b) so far as necessary for the protection of the interests of the applicant.
- (7) An interested person may not challenge the validity of a public spaces protection order, or of a variation of a public spaces protection order, in any legal proceedings (either before or after it is made) except—
 - (a) under this section, or

(b) under subsection (3) of section 67 (where the interested person is charged with an offence under that section).

Section 63 – Consumption of alcohol in breach of prohibition in order

- (1) This section applies where a constable or an authorised person reasonably believes that a person (P)—
 - (a) is or has been consuming alcohol in breach of a prohibition in a public spaces protection order, or
 - (b) intends to consume alcohol in circumstances in which doing so would be a breach of such a prohibition.

In this section “authorised person” means a person authorised for the purposes of this section by the local authority that made the public spaces protection order (or authorised by virtue of section 69(1)).
- (2) The constable or authorised person may require P—
 - (a) not to consume, in breach of the order, alcohol or anything which the constable or authorised person reasonably believes to be alcohol;
 - (b) to surrender anything in P's possession which is, or which the constable or authorised person reasonably believes to be, alcohol or a container for alcohol.
