

Falcon Park Landscaping Improvements Consultation, Phase 2

On behalf of Wandsworth Council, Enable Leisure and Culture has secured £182,500 from the Wandsworth Local Fund to make improvements at Falcon Park.

During the initial round of consultation held in 2015, people were asked their thoughts on a proposal to re-landscape the park's access and install play equipment at the northern entrance of the park. Based on the results of the first round of consultation, three designs have been developed. We now want to understand the views of local residents and people who use Falcon Park to help decide on the final design.

What happens next?

Once consultation has closed, all of the feedback will be carefully considered to decide on the final design.

Whilst every attempt will be made to construct the final design to plan, certain elements may have to be altered during the implementation stage due to unforeseen technical or logistical issues.

The improvement works are due to begin following the completion of the new £1.3m all-weather pitch at the southern end of Falcon Park.

Have your say

The consultation will go live on **Monday 14 January 2019**.
