

Have your say on Garratt Park Improvements

We want to hear your thoughts and opinions about how to shape and improve Garratt Park focusing on the following areas:

Playground | **Ball Court** | **Blue Shelter**
Table Tennis Table | **Cycle Track**

The results of this consultation will be used to inform a funding proposal to deliver improvements to the play and recreation facilities.

You can access the online survey:

Background

In July 2016 £179,800 was awarded from Wandsworth Local Fund (WLF) to a scheme to resurface the play area in Garratt Park and incorporate a tree root barrier membrane to limit the damaging effects of the boundary poplars on the playground. Subsequent investigative work to deliver this project has made it clear that there is a need to redesign and re-equip the entire play space at the same time, to improve inclusive play opportunities and address how the playground sits within the wider park and is accessible for all.

This is why we need your help. We want you to tell us how you would like the playground, ball court and other recreational facilities to be improved, so we can then seek further funding once the consultation has been completed.

Wandsworth Parks are managed by Enable Leisure and Culture on behalf of Wandsworth Council.
