

Option 3: Playground Inspired by Edwardian Floral Wallpaper

This design is inspired by the floral patterns of Edwardian wallpaper. The layout uses curved, sharp edges and petal-like shapes to create pathways, seating areas, and play zones, creating a playground that celebrates both nature and Edwardian art.

1 Proposed Play Equipment - Bespoke Timber bridge on the play mound

2 Proposed Play Equipment - Multispinner Carousel, Teal

3 Proposed Play Equipment - Play Panel High 2 - Music

4 Proposed Play Equipment - Sensory Multi Play Panel

5 Proposed Play Equipment - Play Panel 1 - Maze
