NEW PLAY AND SPORT AREAS IN NINE ELMS

Wandsworth Council is investing in improvements to eight play areas for residents of Carey Gardens, Patmore Estate, Savona Estate and other residents who live in the area to enjoy.

This programme of improvements is part of the Council's use of funding from nearby developments to invest in local transport and roads, new parks, leisure, health and school facilities, and opening up the Thames river path.

We want to hear your feedback on these latest designs for sport and play areas in your neighbourhood.
