Dear Resident / Occupier

Southfields Controlled Parking Zone (CPZ) – S2 Sub-Zone Review

The Council is reviewing parking arrangements in the Southfields S2 zone following concerns from residents about parking difficulties outside the current controlled hour (1:30–2:30 pm, Monday to Friday). The one-hour control was introduced in 2001 to deter commuter parking and prioritise residents.

Why are we reviewing the zone?

- Parking is difficult outside the controlled hour, especially near Southfields Village.
- Evening and weekend parking is challenging, particularly during Fulham FC or Chelsea FC home matches.
- Dangerous and obstructive parking at junctions outside the controlled hour.

What changes are being considered?

- Converting single yellow lines at junctions to double yellow lines for safety.
- Reviewing other single yellow line locations.
- Possible changes to the CPZ's operational hours/days (e.g., extending controls to all day or weekends).

Impact of changes

- Visitors may need to pay via RingGo or use visitor permits (£10.10 paperless, £10.70 scratch-card; discounts are available for residents aged 70+ and Blue Badge holders).

What Happens After?

Results will be analysed by area and street. All feedback will be considered alongside traffic and highway factors. Updates will be posted at www.wandsworth.gov.uk/s2-review.
