

# Shillington Park Improvements Phase 1 Consultation

Following Wandsworth Council's investment of £2.3m in Falcon Park, the council now want to hear your views about plans for improvements to Shillington Park (next door to Falcon Park). The proposed works include:

- **Refurbishment of the junior and toddler playground:** The new play equipment will have to be appropriate for the age range of intended use. For Shillington Park Junior and Toddler Playground the intended age range is for children up to 12 years of age.
- **A new outdoor gym concentrated into a single area:** The existing outdoor gym items will be removed once the new gym is installed and the ground returned to amenity turf.
- **Planting to enhance local biodiversity**
