

Windmill Playground Improvements Phase 2 Consultation

During an initial round of consultation in February to March 2018, Wandsworth Council asked for your views on a range of different types of equipment for Windmill Playground. We would now like to hear your views to help decide on the final design for the refurbished playground.

Based on the results of the first round of consultation, three designs have been developed.

As part of the proposed improvements, the plan is to extend the playground. The extension area is currently part of the common, consisting of amenity grass with limited biodiversity value and shaded by trees. As well as allowing for the playground to have a better flow, the extension will provide space for parents and guardians to sit without limiting the area given over to play items as well as an opportunity to improve the area for wildlife through biodiversity planting.

An application for the planned extension is being submitted and is subject to approval by the Planning Inspectorate.

Windmill Playground Improvements Phase 2 Consultation

As Windmill Playground is on Common Land, we have strict guidelines regarding what can be done, which has also informed the three designs. The style and height of any new equipment will have to be sympathetic to the area and it will have to be appropriate for the age range of intended use. For Windmill Playground the intended age range is for children aged up to 8 years.

What happens next?

Once this consultation has closed, all of the feedback will be carefully considered to decide on the final design. The final design will then be submitted for approval by the Planning Inspectorate.

Whilst every attempt will be made to construct the final design to plan, certain elements may have to be altered during the implementation stage due to unforeseen technical or logistical issues.

Have your say

The consultation is now live. You can access the online survey at <https://haveyoursay.citizenspace.com/wandsworthecs/windmill-20>

Please scan the QR code to take you to the consultation

In case you are not able to visit the playground during the consultation period, photos of the existing playground are included as part of the online consultation to aid with your decisions.

If you would like a paper copy, please contact us at parks@enablelc.org or call **0772 511 4053**.

Please be advised that the consultation closes on **Tuesday 5 January 2021**.

Online Q&A sessions

If you have any questions, you can join us at one of two online Q&A sessions:

- **Thursday 10 December 2020, 7pm to 8pm**
- **Sunday 13 December 2020, 12pm to 1pm**

Please visit [Eventbrite.co.uk](https://www.eventbrite.co.uk) and search for 'Windmill Playground Improvements Consultation' to register for one of the Q&A sessions. Once you have booked you will receive information about how to join the session.
